PROJECTS

Submitty (Rensselaer Center for Open Source)

submitty.org | [GitHub](#)

PHP, Twig, Vue, JS, CSS, HTML, C++, Python

January 2025 - Present (FT Summer 2025)

- Created a Vue component for the home page to centralize course notifications, giving users a streamlined view of updates. Backed by an optimized query that pulls the most recent notifications from multiple databases.
- Developed a CodeMirror-based text editor that enables instructors to edit their assignment configurations on the site. Supports adding/deleting files and downloading the configuration as a ZIP.
- Implemented a responsive dark mode toggle for the documentation site using SCSS to enhance user experience.

Speed Roulette (Personal Project)

speedroulette.io | [GitHub](#)

React, Vite, TS, Tailwind, Go, Postgres, Redis, Docker, Digital Ocean, Cypress

February 2025 - Present

- A full-stack browser game featuring a responsive UI, leaderboard/stats tracking, and fast-paced gameplay.

RPI Principles of Software Course Website Revamp

HTML, CSS, Bootstrap, JS

June 2025 - Present

- Redesigned site layout to enhance readability, integrated GitHub to streamline workflow, added reusable components for maintainability, and implemented dark mode for this platform serving 200+ students per semester.

Portfolio Website (Personal Project)

justinmanion.com | [GitHub](#)

React, Vite, TS, CSS

July 2025 - Present

PROFESSIONAL & LEADERSHIP EXPERIENCE

Stewart's Shops IT Technician

Saratoga, NY

Intern

May 2024 - August 2024

- Delivered on-site and remote technical support by troubleshooting and repairing register, ATM, and networking equipment, while accurately documenting issues and resolutions to minimize sales disruptions.
- Collaborated with technicians to prepare shops for the deployment of a new register POS system.

Lambda Chi Alpha, Rensselaer Polytechnic Institute

Troy, NY

Secretary

December 2024 - Present

- Maintains fraternity records including member rosters, meeting minutes/attendance, calendars, historical archives, and a shared Google Drive to ensure organizational consistency and operational efficiency.

Webmaster

April 2025 - Present

- Manages site content and writes feature posts to highlight brother achievements and chapter events.

Price Chopper Supermarket

Mechanicville, NY

Shift Supervisor

June 2020 - October 2024

- Oversaw the Front End department with an objective to cultivate a friendly team environment and high customer satisfaction through effective leadership, communication, and problem solving.
- Trained and mentored new employees, providing guidance on store procedures and customer service standards to accelerate their integration into the team.
